

FOR IMMEDIATE RELEASE

## GloriAnn Farms Supports the National Breast Cancer Foundation

**Tracy, CA (September 22, 2017):** GloriAnn Farms is pleased to announce the return of its Corn for the Cause campaign! For the sixth consecutive year, GloriAnn Farms will donate to the National Breast Cancer Foundation, Inc. (NBCF) for every case of GloriAnn Sweet Corn sold to participating retailers during the month of October.

Over the past five years, GloriAnn Farms has been able to donate just shy of \$100,000 to NBCF, whose mission, Helping Women Now®, helps to ensure that no woman has to face breast cancer alone by providing various services to help women and their families who are dealing with a breast cancer diagnosis. GloriAnn Farms is looking forward to the continued success of the Corn for the Cause campaign, and is excited to exceed the \$100,000 mark this year!

“GloriAnn Farms is honored to once again partner with this incredible organization,” says Mark Bacchetti, GloriAnn Farms principle. “With this campaign, we hope to not only raise a significant donation again this year, but to raise awareness to the importance of early detection and education, because that is what can truly save lives.”

### **About GloriAnn Farms**

GloriAnn Farms is one of the nation’s leading value-added sweet corn shippers. With processing facilities in both Northern and Southern California, GloriAnn Farms supplies its customers with high quality sweet corn year-round.
